Principal's Corner

Dear Parents and Students,

As we bid farewell to another enriching academic year, I am delighted to reflect on the multitude of experiences and achievements that have defined our journey together. It has been a year filled with growth, learning, and meaningful connections, and I am immensely proud of all that we have accomplished as a school community.

Our commitment to excellence and quality in everything we do has remained steadfast from the outset. Our online coffee mornings, parent council and parent-teacher meeting sessions, provided a platform for parents to connect, share experiences, and foster a sense of community. Together, we worked towards the holistic development of our students, ensuring their academic success and personal growth. Our outstanding ASSET exam results are a testament to the same.

We celebrated significant milestones, such as the Investiture ceremony, Scholar badge, sports ay, Open Talent Day, and the Graduation Day ceremony for our KG2 students, marking their transition to the next phase of their educational journey. It was a joyous occasion filled with pride and excitement as we witnessed our learners take a significant step forward in their academic pursuits.

We also embraced opportunities to celebrate diversity and promote cultural understanding throughout the year. From commemorating various International and National days with various activities across different phases we highlighted the rich tapestry of cultures that enrich our school community.

Our commitment to sustainability and environmental consciousness was evident through initiatives like Bagless Day, Kitchen Garden and many more; where we raised awareness about the importance of reducing plastic usage and promoting eco-friendly practices. Moreover, we engaged our students in thought-provoking activities to commemorate World Water Day, raising awareness about the importance of water conservation and sustainability. These initiatives instilled a sense of responsibility towards the environment and nurtured a spirit of global citizenship among our students.

As the holy month of Ramadan approached, we came together for a meaningful Iftar gathering, fostering unity, and camaraderie among our diverse school community. It was a time of reflection, gratitude, and shared blessings.

Looking ahead to the next academic year, I am excited about the possibilities that lie ahead. As we embark on this journey together, I want to reaffirm our commitment to excellence in everything we do. With your continued support and collaboration, I am confident that we will continue to inspire, empower, and nurture the next generation of leaders and changemakers.

Thank you for your unwavering trust and partnership. Here's to another year of growth, learning, and success!

Best regards,
Deepa Vinod

Our students at DPS RAK engaged in creating stunning artwork on the International Day of Happiness, expressing their joy through the vibrant medium of paint. It was a celebration filled with creativity and cheer as they immersed themselves in the artistic process, spreading happiness through their beautiful creations.

INTERNATIONAL WOMEN'S DAY

Delhi Private School, RAK witnessed a flurry of activities as students celebrated Women's Day 2024 under the theme "Invest in Women: Accelerate Progress." Engaging in workshops, discussions, and projects, students gained a deeper appreciation for the remarkable contributions of women in society. From exploring historical achievements to addressing contemporary challenges, these activities emphasized the importance of women's empowerment. By honouring the achievements of women and advocating for gender equality. Students embraced their role as catalysts for positive change in their communities and beyond, echoing the school's commitment to fostering an inclusive and equitable world.

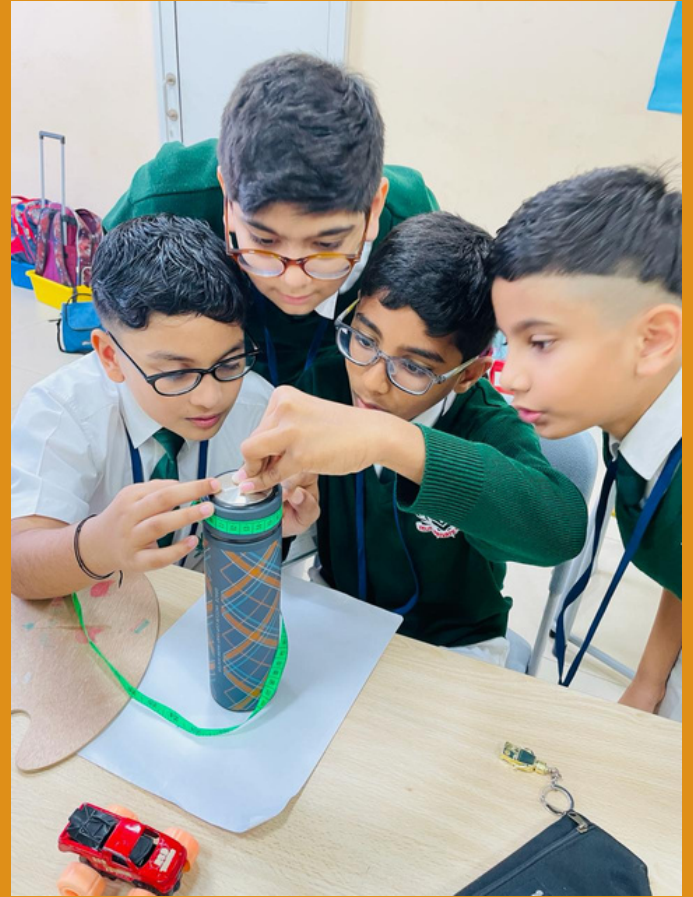

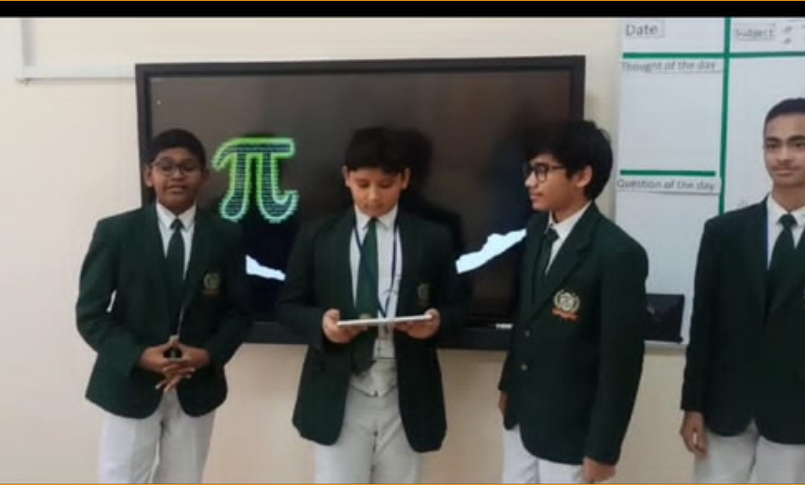

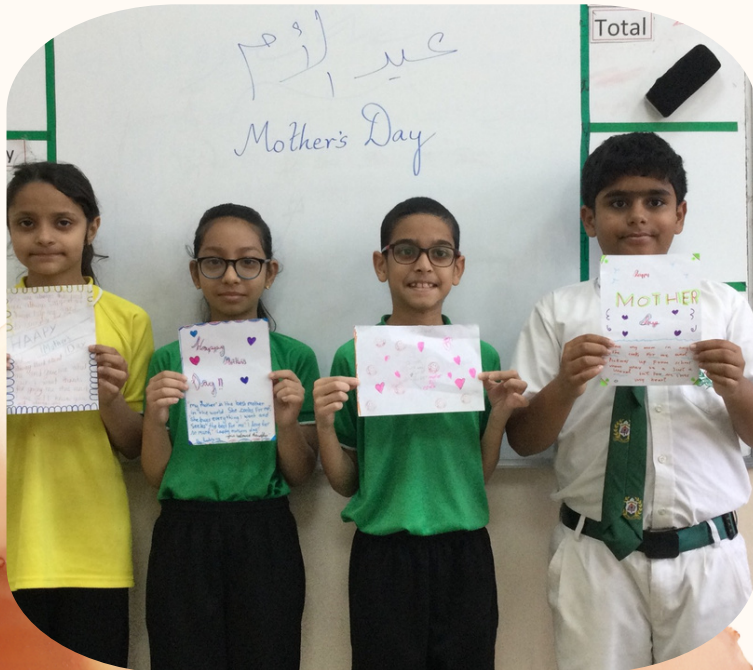

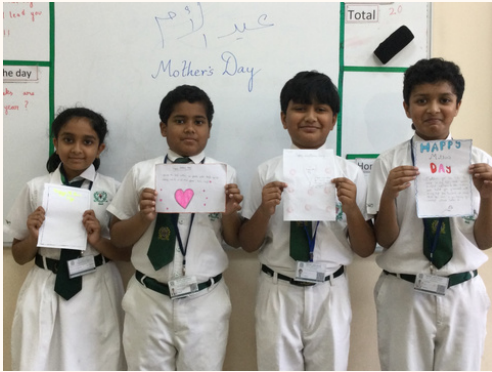

In a jubilant celebration, students at DPS RAK enthusiastically celebrated International π (pi) Day and Albert Einstein's Birthday with a multitude of engaging activities and events aimed at fostering an appreciation for mathematics and science. Through a diverse array of initiatives, participants were immersed in an educational experience that highlighted fundamental principles in these fields, igniting curiosity and passion for exploration. The festivities provided a platform for students to delve deeper into the realms of mathematics and science, celebrating their significance in our world and honouring the legacy of renowned figures like Albert Einstein.

PI DAY

UAE Mother's Day

At DPS, students joyfully celebrated Mother's Day by expressing their love through heartfelt gestures. They showcased their affection by crafting small handmade cards, each one created a lovable token of appreciation for the remarkable mothers in their lives. These personalized creations were not only a testament to the students' creativity but also a touching tribute to the unconditional love and support that mothers provide. It was a heartwarming celebration, filled with warmth and gratitude, as students honored the special bond they share with their mothers.

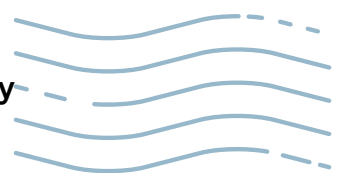

WORLD WATER DAY

On the occasion of World Water Day, DPS students engaged in a meaningful exploration of water conservation. Guided by informative sessions, they grasped the vital importance of saving water for our planet's future. Putting their understanding into action, students showcased their creativity by crafting impactful posters advocating for water conservation. These efforts exemplify our commitment to environmental stewardship and the promotion of sustainable practices within our school community.

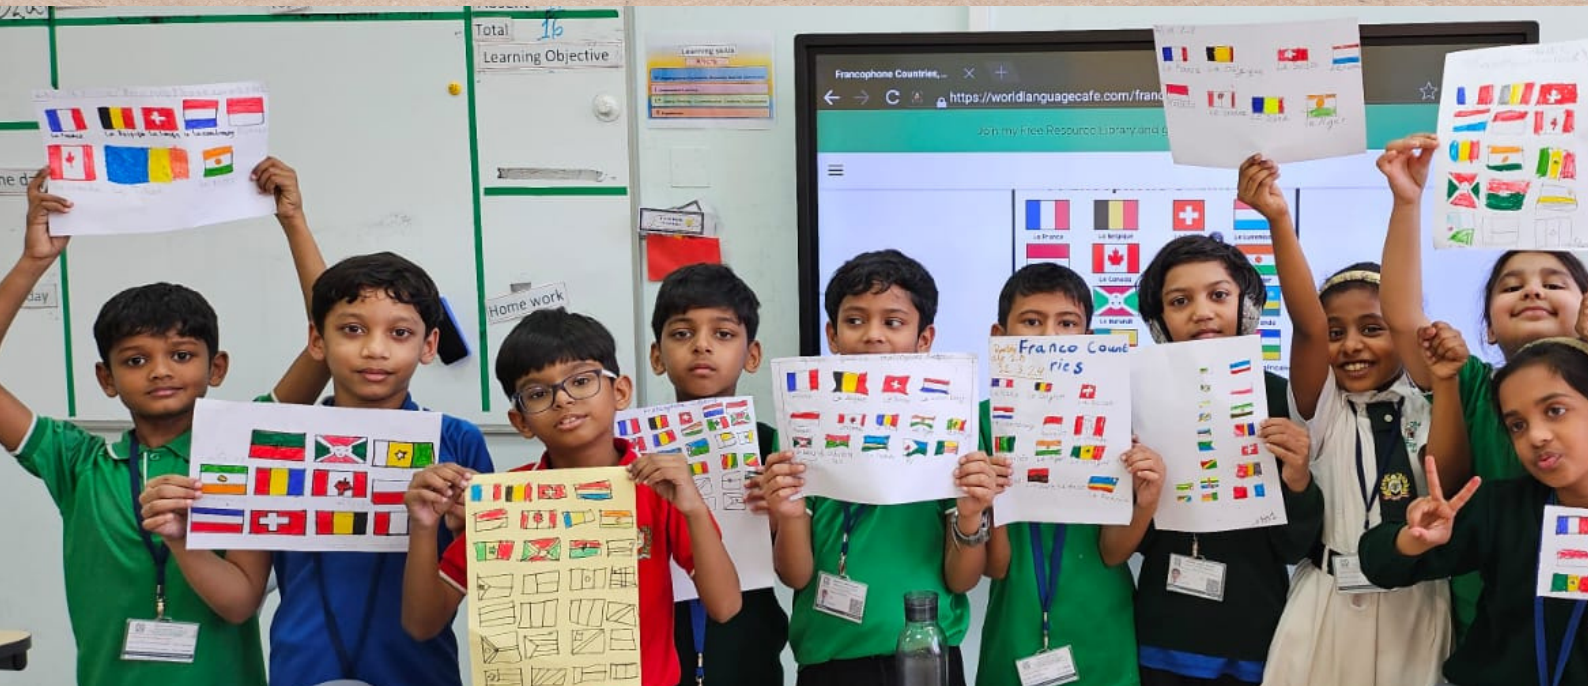

INVIGORATING SESSION WITH A RENOWNED AUTHOR

MS. KEMI ADEGBOLA

At DPS RAK, students from grades 1 to 4 were enthralled by a captivating day with author Ms. Kemi Adegbola, renowned for her book "Good Night Dubai."
