PRINCIPAL'S CORNER

Dear esteemed Parents and Students,

With the dawn of a new academic year upon us, I extend my warmest greetings and heartfelt welcome to each of you. As we stand at the threshold of possibility, let us embark on this journey together with a spirit of optimism, determination, and unity.

April ushered in a prelude to excellence with a series of meticulously planned events designed to acquaint both new and existing members of our community with the ethos and aspirations of our esteemed institution. Our New Parent Orientation sessions provided a comprehensive introduction to our educational philosophy and support structures, ensuring a seamless integration into our vibrant school community. Simultaneously, our Existing Parent Online Orientation offered a virtual platform for dialogue and collaboration, fostering a sense of partnership between home and school.

To our returning students, welcome back! Your presence infuses our corridors with renewed energy and enthusiasm, serving as a beacon of inspiration for all. As we embrace the promise of a new academic year, let us reaffirm our commitment to excellence, curiosity, and lifelong learning.

April 19th marked the global observance of World's Creativity and Innovation Day, a testament to humanity's boundless capacity for ingenuity and invention. In commemoration, our students showcased their creative prowess through a myriad of projects and initiatives, igniting a spark of innovation that will continue to illuminate their educational journey.

In April, we paid homage to the pillars of our educational ecosystem with celebrations dedicated to both Know Your Teacher Day and World Earth Day. These occasions served as poignant reminders of the invaluable contributions of our dedicated educators and our collective responsibility to nurture and safeguard our planet for generations to come.

In addition to this, our school community united in a collective celebration of literacy during our Whole School Readathon, underscoring the transformative power of literature to inspire, educate, and empower. Through the pages of a book, we embark on journeys of exploration, enlightenment, and empathy, transcending boundaries and fostering a shared sense of humanity.

April culminated in the solemn Investiture Ceremony, where we bestowed upon our student leaders the mantle of responsibility and entrusted them with the task of guiding and inspiring their peers. As torchbearers of our collective aspirations, they embody the values of integrity, compassion, and service, illuminating the path towards a brighter tomorrow.

Let us draw inspiration from the achievements of the past and embrace the boundless potential of the future. Together, let us forge ahead with unwavering resolve and a steadfast commitment to excellence, as we endeavour to create a nurturing and transformative educational environment where every student can flourish and thrive.

With warm regards and best wishes for a successful and enriching year ahead,

Deepa Vinod,
Principal

first day of kindergarten

New Beginning

With great pleasure, DPS RAK warmly welcomes back returning members and extends a heartfelt embrace to newcomers.

This marks the beginning of an exceptional journey in the 2024-25 academic year, brimming with promise and boundless opportunities for personal and academic development.

WORLD CREATIVITY & INNOVATION DAY

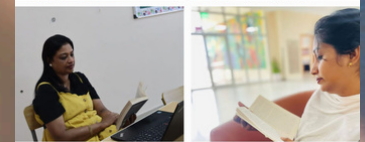

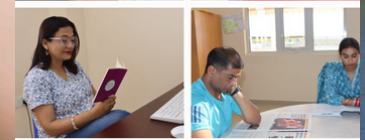

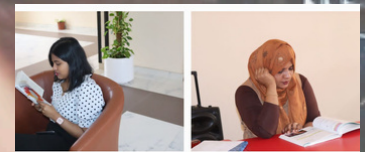

Happy World Creativity and Innovation Day! DPS RAK's primary students celebrated the day through vibrant artwork and engaging projects. Meanwhile, our middle section students, the future innovators, tackled real-world challenges with coding and ingenious software solutions.

READATHON

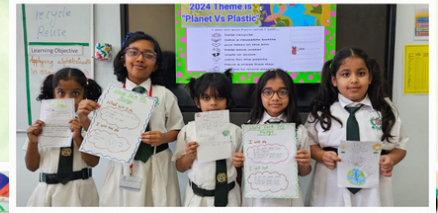

Transformed into a magical Readathon Day, Delhi Private School celebrated the English Language Day on 23 April by embracing reading together. Students, teachers, ancillary staff and the school's logistics team immersed themselves in the joy of reading books of their choice.

International Earth Day

In honour of Earth Day, DPS RAK students participated in activities centered around promoting environmental awareness and conservation. Focusing on the theme "Planet vs Plastic," these thoughtfully designed activities aimed to highlight the detrimental impact of single-use plastics on our planet.

KNOW YOUR TEACHER'S DAY

DPS RAK was delighted to host "Know Your Teacher's Day" on April 20th, an event aimed at fostering transparency and building meaningful connections with our academic procedures. We extend our gratitude to all parents who joined us, contributing to an enriching experience. Together, let's continue to inspire and empower our students on their journey to greatness.

INVESTITURE CEREMONY

The Investiture Ceremony at DPS RAK stood as a poignant symbol of leadership, as students were bestowed with their badges, instilling them with a sense of pride and commitment to uphold the values of excellence and service.

Throughout the ceremony, the hall resounded with applause, reflecting the collective pride and support of the entire school community as each student embraced their new responsibilities.
