PRINCIPAL'S CORNER

Dear Parents, Students, and Staff,

As we wrap up the bustling month of June, we reflect on the vibrant activities and remarkable achievements our school community has experienced. Along with academics and formative assessments, our calendar was brimming with events that showcased our students' talents, creativity, and commitment to a sustainable future.

We kicked off the month with the celebration of World Bicycle Day and World Environment Day, fostering an awareness of eco-friendly practices among our students. Kindergarten was a sea of bright hues on Orange Colour Day, and they also enjoyed Funky Hair Day and an engaging Animal Mask-Making Day, sparking their imagination and creativity.

Our students shone in various interschool competitions. DPS RAK students made us proud by excelling at the Future Fiesta Competition hosted by DPS Dubai. Additionally, the Innovatique competition at DPS Dubai saw our students' innovative ideas come to life.

Our budding artists from grades 1 to 4 expressed their environmental consciousness through the Eco Vibe art drawing competition, while those in grades 5 to 9 displayed their artistic prowess in a dedicated art competition. Musical talents were celebrated during the Light Music competition for grades 1 to 9, and they also enthusiastically participated in a dance competition on the theme "Unity Cosmos: Embracing Global Kinship".

The social responsibility of our student council members is worth mentioning. Students along with their parents, teachers and school leaders paid a visit to the Labour camp to deliver food parcels. Also, the council organised 'The Campus Champion Fest' to facilitate the invaluable contributions of our ancillary staff. These activities overall contributed to the trait of the month "Gratitude".

The month concluded with a fun-filled trip for grades 1 to 10, providing a perfect opportunity for students to bond and create lasting memories before the summer break.

As we head into the summer vacation, we wish everyone a restful and enjoyable holiday. Please ensure that your summer activities are safe and secure. Take the necessary precautions to stay healthy and protected, whether you are travelling or enjoying time at home. Let's recharge and come back with renewed energy for the next session.

Thank you for your continuous support and involvement in making our school a thriving community.

Warm regards,

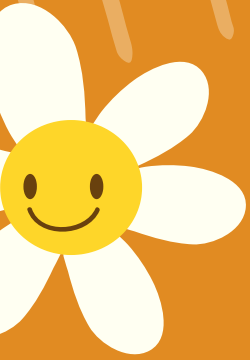

Deepa Vinod

Principal
