# PRINCIPAL'S CORNER

Dear Parents and Students,

We hope you had a rejuvenating summer break and are excited to step into a new term filled with learning, creativity, and growth. Our school has kicked off the term with a series of enriching events that reflect our commitment to holistic development. Here's a glimpse of what we've been up to this month:

Our youngest learners took centre stage during Literacy Week, transforming imagination into reality with lively interactive storytelling, cheerful poem recitations, and fun literacy games. The magic didn't stop there – characters leapt out of books in our Character Come Alive activity, making reading an adventure they won't soon forget. And the little engineers among us shone brightly on Engineers' Day, building ideas and dreams with their tiny, but mighty, hands! Our students celebrated Harmony Day, a vibrant festival of diversity hosted by the Student Council, where they embraced their unique identities while promoting a spirit of unity. Through art, music, and cultural exchanges, they painted a beautiful picture of inclusiveness in our school community.

Hindi Diwas followed, with students paying tribute to one of the world's richest languages. The special assembly was filled with enthusiasm as they honoured the cultural heritage and importance of Hindi through creative performances and activities, leaving everyone in awe. The secondary students continue to inspire us with their talents and leadership. We were thrilled to see our DPS RAK chess champions make their moves at the CBSE UAE Cluster Chess Championship in Abu Dhabi, showcasing their tactical brilliance and competitive spirit. On Teachers' Day, our Student Council brought to life a beautiful tribute with a program called "Honouring Mentor Moments," where senior students took on the roles of teachers for a day. To add an extra touch of sparkle, Malabar Gold and Diamonds Jewellery collaborated with us to make Teachers' Day shine even brighter.

The celebrations didn't end there! We also hosted an enlightening session presented by the Community Protection and Prevention Department on the "Culture of Respecting the Law of the UAE", emphasizing respect and responsibility within our community. A special moment for the school was when our principal was honoured by the department for her ongoing involvement in community initiatives.

We continue to be amazed by the compassion shown by our students and parents during the Charity Drive. Through the Food ATM initiative and a touching visit to a labour camp, our community joined hands to make a difference for those in need. And to top it off, our amazing teachers showcased their talents at the Indian Association, Ajman, delivering a powerful cultural performance that championed the message of women's empowerment. Our inspiring principal and dedicated teachers Ms Bini Das and Ms Maimoona were felicitated for their commitment towards excellence. As we step forward into this exciting new term, we are filled with optimism, curiosity, and the desire to make this term the best yet. Thank you for being an essential part of this journey with us. Together, we will continue to achieve great things!

Warm regards,  
Deepa Vinod  
Principal
