DPS DISPATCH

Academic Year
September -2025

Principal's Message

Dear Parents, Students, and Staff,

The past two months at DPS RAK have been marked by vibrancy, purpose, and accomplishments that underscore our growing legacy of excellence. We are proud to share that Delhi Private School Ras Al Khaimah has been honoured with the Distinguished Private School Award 2025 from Sheikh Al Qasimi, recognised as a Microsoft Showcase School, and has secured the prestigious Atal Tinkering Lab from CBSE – the only school in RAK to achieve this distinction. These achievements reaffirm our dedication to future-ready education, innovation, and holistic growth.

As we welcomed our students back after the summer break, the campus came alive with the sounds of laughter, learning, and creativity. Welcome Back to School was celebrated through engaging activities that recognised the uniqueness of every learner.

The academic term began with renewed energy, striking a balance between rigorous preparation for examinations and a wide spectrum of enriching activities. September offered opportunities for celebration and reflection, as Harmony Day and Teachers' Day reminded us of the importance of gratitude and respect. The student and parent councils came together to honour the very essence of education. Literacy Week transformed classrooms into hubs of imagination, while the Hindi Diwas Assembly celebrated the richness of language and cultural identity.

Our Kindergarteners, with their boundless joy and creativity, infused the school calendar with colour and curiosity – from Dot Day to Engineer's Day to seasonal celebrations. These experiences strengthen the foundations of lifelong learning.

Beyond the school walls, our students extended compassion and service through their visit to an Old Age Home, offering warmth and companionship to elders. Similarly, International Day of Peace activities instilled the values of unity, empathy, and global citizenship.

Amidst this dynamic calendar, our students demonstrated commendable discipline and focus in their examination preparations, proving that academic excellence and holistic growth can indeed go hand in hand.

Together, these recognitions, celebrations, and reflections reaffirm our conviction that education is not only about excelling in academics but also about cultivating thoughtful, compassionate, and confident individuals. At DPS RAK, we continue to nurture both hearts and minds, empowering our students to grow into lifelong learners and responsible global citizens.

Warm regards,
Deepa Vinod,
Principal
Delhi Private School, RAK

RAK Awards for Educational Excellence 2025!!

"Distinguished Private School"

"Distinguished Talented Student"

A proud moment for Delhi Private School, Ras Al Khaimah as we are honoured with the title of "Distinguished Private School" at the RAK Awards for Educational Excellence 2025, conferred by His Highness Sheikh Saud bin Saqr Al Qasimi, Ruler of Ras Al Khaimah. Kudos to Zainab Kapadia (Grade X) for being named a "Distinguished Talented Student".

These accolades reflect our unwavering commitment to excellence and innovation.

WELCOME BACK TO SCHOOL

After a refreshing summer break, the corridors of Delhi Private School Ras Al Khaimah once again echo with laughter, curiosity, and excitement. With new learning, fresh aspirations, and endless possibilities ahead, we warmly welcome back our DPS family!

CPD NEWS

Delhi Private School, Ras Al Khaimah, hosted a CPD session on effective teaching strategies and data-driven instruction, inspiring teachers to use learner-centered practices and assessment data to enhance student success, Gamification in lessons, strategies to overcome learning gaps, data interventions, the Use of AI in lessons, and many more

TEACHING IS A
WORK OF HEART

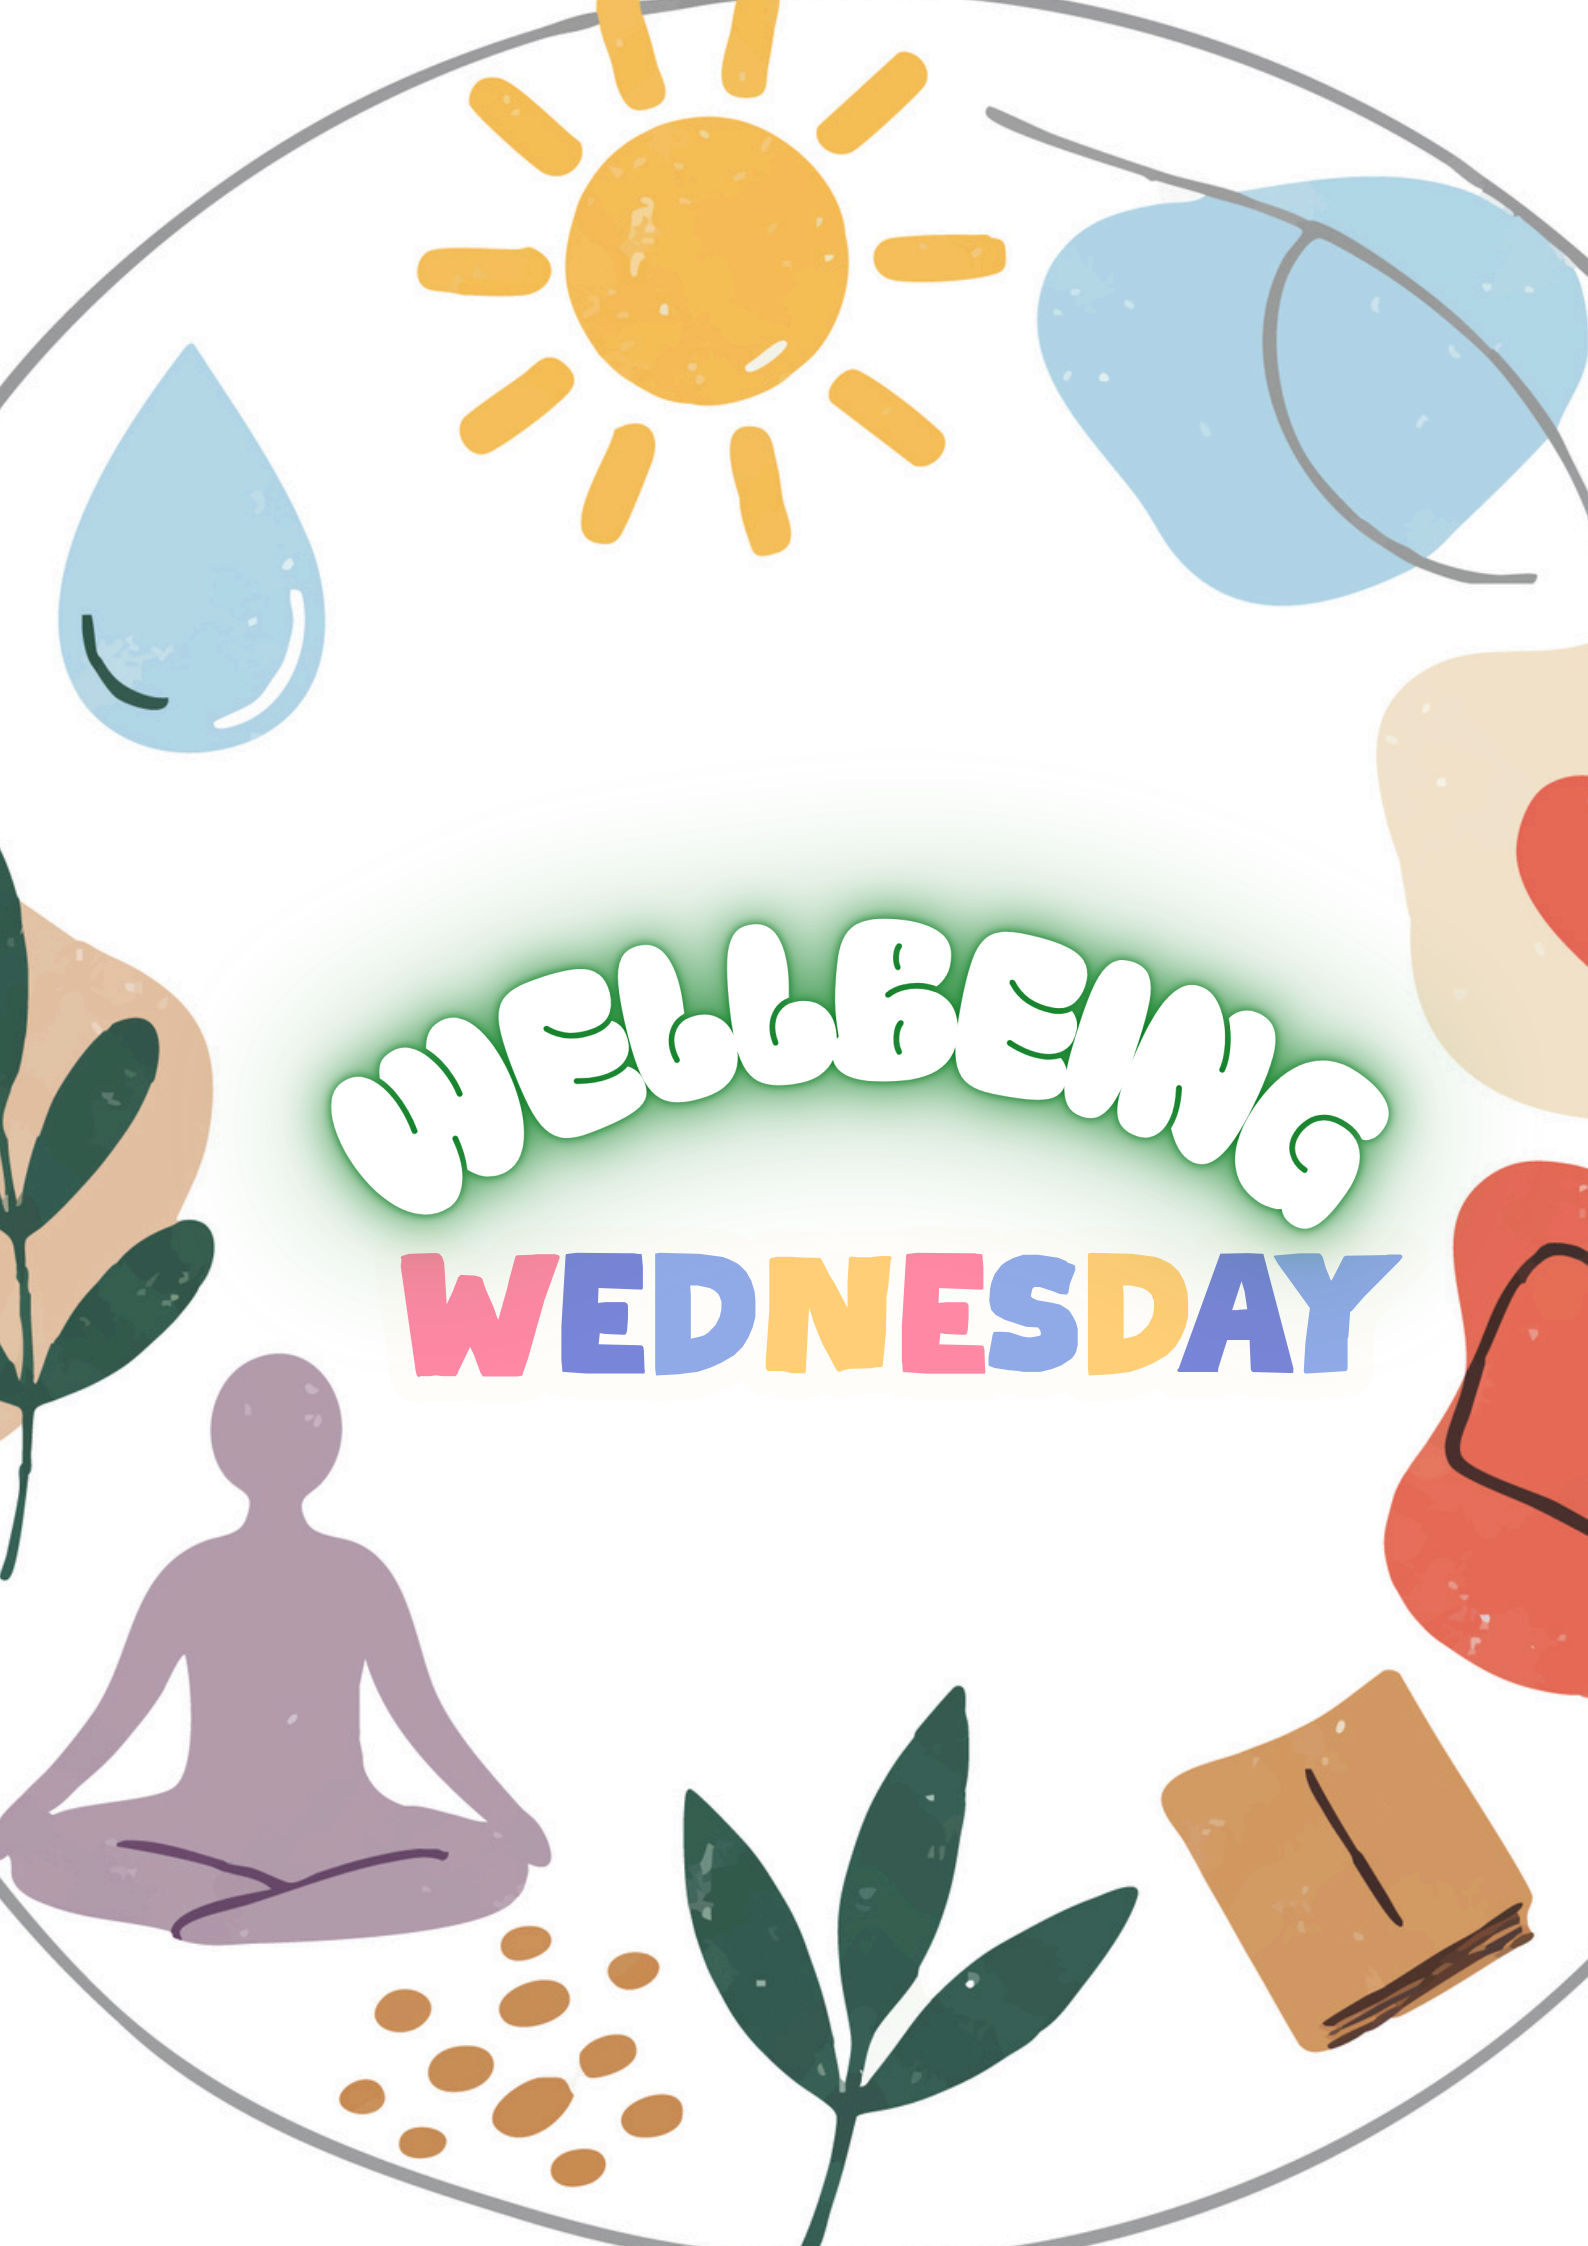

We honored our teachers for inspiring hope, creativity, and a love of learning. The Student and Parent Councils organized heartfelt speeches and fun activities. It was a joyful tribute to those who shape young minds every day.

Together in Harmony

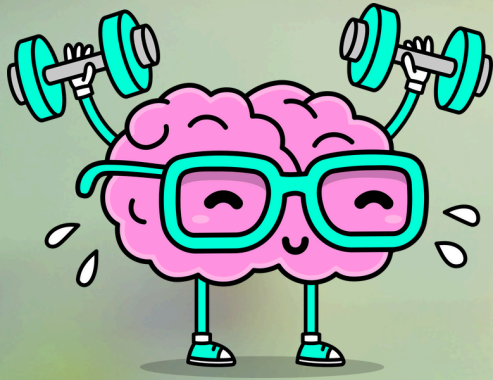

On 4th September, DPS
RAK celebrated
Harmony Day with joy
and togetherness,
showcasing unity in
diversity and the
strength of harmony.

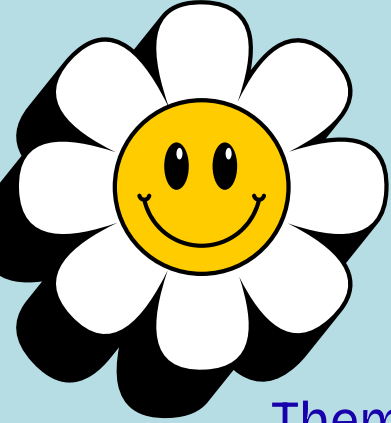

A circular graphic with a grey border containing various wellness-themed illustrations: a sun, a water drop, a blue leaf, a tan leaf, a purple person in a yoga pose, a green plant, a brown book, and a cluster of brown dots. The text "wellbeing" is in white cursive with a green glow, and "WEDNESDAY" is in colorful block letters.

WEDNESDAY

Mindfulness

Joy In movement

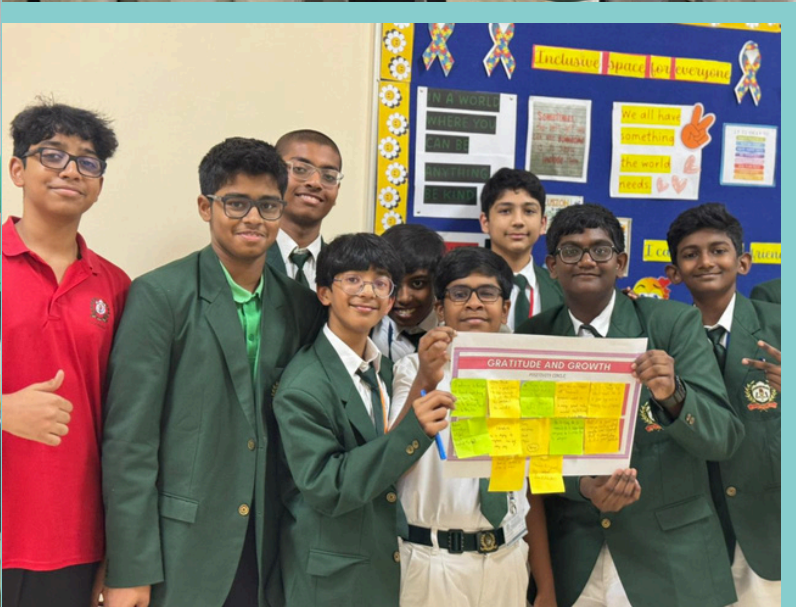

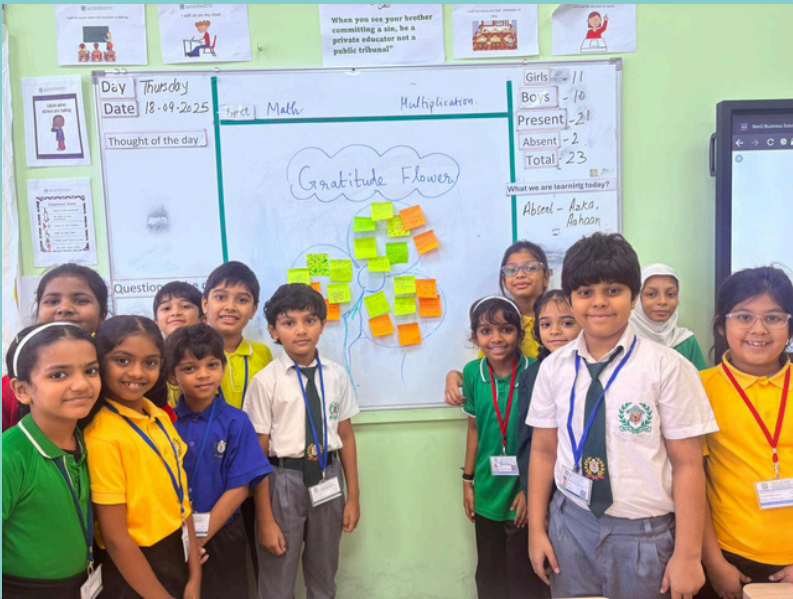

Theme of the 11th September : Joy in Movement
Celebrating the power of movement—through dance, yoga, sports, or even a simple walk—our students discovered how staying active boosts mood, reduces stress, and keeps body and mind healthy.

*Today
I CHOOSE
joy*

GRATITUDE
IS THE BEST
ATTITUDE!

On 18th September, DPS RAK marked Wellbeing Wednesday with gratitude-themed activities, where students reflected on thankfulness and celebrated their journey of growth.

Fuel for Flourishing

Our young learners celebrated the theme “Fuel for Flourishing” with a vibrant Food Exhibition. From nutrition to mindful eating, students showcased healthy choices that inspire balance, energy, and joy in everyday life.

हिन्दी है देश की बोली, हर दिल में इसकी डोली,
साहित्य की धारा गहरी, जोड़े सबको घर-घर पहरी।
एकता का संदेश सुनाए, अपनी जड़ों से हमें मिलाए,
ज्ञान और संस्कृति का संगम, हिन्दी सदा आगे आए।

हिन्दी दिवस

DPS RAK marked Hindi Diwas with a special assembly showcasing the richness of the language through poems, writers, and cultural insights. Principal Ms. Deepa Vinod highlighted the importance of Hindi, mother tongues, and global languages, encouraging students to stay connected to their roots.

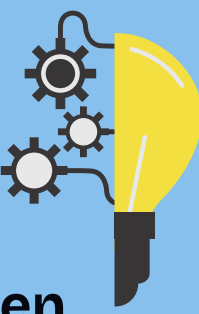

International Dot day

Our little kindergarten artists celebrated creativity and imagination through colorful dots today! Each tiny dot became a big story of confidence, fun, and endless possibilities.

ENGINEER'S DAY

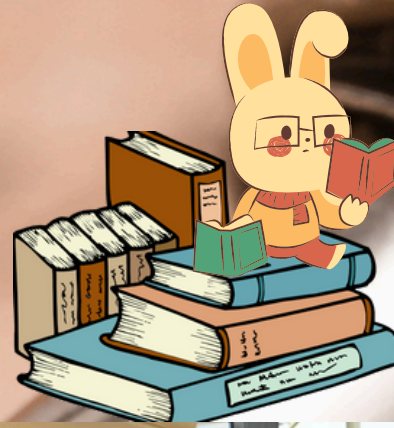

Our little kindergarten innovators celebrated Engineers' Day with innovative projects that sparked curiosity, creativity, and problem-solving skills. From sharing thoughts on gravity to hands-on experiments, they joyfully discovered how engineers help build a better world

Literary Day

DPS RAK KG celebrated Literacy Week
with Buddy Reading, Character Come
Alive, Story in a Box, and Poem Recitation
—bringing stories to life and spreading the
joy of reading

International Peace Day

KG students celebrated International Peace Day with songs, art, and acts of kindness, learning the true meaning of peace — sharing smiles, helping friends, and spreading love.

Old age home visit

Students of Delhi Private School, RAK, had the privilege of visiting the Old People's Home in Sharjah, where they presented heartfelt performances and shared gratitude cards with the residents.

This enriching experience allowed our students to connect with the past, listening to the life stories and wisdom of the elderly while spreading joy and warmth. Such meaningful interactions not only brighten the lives of the residents but also instill in our children values of empathy, respect, and gratitude.

At DPS RAK, we believe that true learning extends beyond the classroom—nurturing compassionate individuals who honor and cherish the generations that came before them.

Best Practice

Principal Ms. Deepa Vinod, along with the leadership team, proudly represented Delhi Private School, Ras Al Khaimah at the RAK Awards for Educational Excellence held at the Higher Colleges of Technology, RAK, where they showcased the school's best practices and reaffirmed its commitment to innovation, growth, and excellence in education.

Microsoft Showcase School Recognition – September 2025

Microsoft Innovative Educator (MIE) Expert certification

We are proud to announce that our school has been recognized as a Microsoft Showcase School in September 2025, a testament to our commitment to innovation in teaching and learning. This prestigious recognition highlights our dedication to using technology to enhance education and empower students for the future.

We are also delighted to share that most of our teachers and school leaders have earned the Microsoft Innovative Educator (MIE) Expert certification, showcasing their expertise in integrating digital tools to create engaging and impactful learning experiences.

Student Achievements

Ayesha Istiyak Ahmed Kapadia of grade 4, who secured the Silver Medal at the 2nd RAK Taekwondo Championship held on 14th September.

Cherish Paul Bobby of Grade 5 for his commendable performance in the International School Olympiad 2024-25, organized by the International School Olympiad Foundation and powered by GEMA

"In our second dispatch, the Parent Council proudly reaffirms its commitment to building a supportive and vibrant environment that strengthens the partnership between the school and parents. We are delighted to share these thoughtful highlights with you."

CELEBRATING TEACHER'S DAY WITH GRATITUDE

The Parent Council came together to appreciate the dedication, patience, & love our teachers pour into nurturing our children every single day. The teachers, were gifted a plant as a token of gratitude symbolizing how they nurture and shape young minds to blossom. The teachers were honored with speech, thanking them for the holistic development of the children. To make the occasion more memorable, a beautiful song sung by the parents was dedicated to the teachers, A big "Thank You" teachers as you go beyond the boundaries to torch the students path.

Dental health is linked to overall health.
Poor oral hygiene is associated with heart disease, diabetes, stroke, and even dementia.

Breakfast

"Breakfast" - The first meal of our day. Such a debatable topic of the present day. What is the truth? What matters? The time or the choice of breakfast - both plays a vital role. After we finish our last meal and call it a day, our body turns on the fasting mode, which is more of a preparation for the next day. Now, are we turning off this fasting mode in the morning? NO!!! Not all of us. When this mode continues for more than a prescribed time, it makes us moody. We feel lethargic. Therefore, we have the word 'Breakfast'.

"Break your fast before it breaks you down."

After a good 8'hours of sleep, the body gets energised while the inner systems were working hard the whole night, preparing you for the next day. Research proves a prolonged delay in breaking the fast or skipping it, may lead to certain irreversible damages, as we age. For instance, the Alzheimer's. One of the reasons being a delayed or skipped breakfast for a prolonged time. In the process of doing so, the human brain is deprived of fuel (energy). The main engine of our body that enables us to perform all the activities slows down over the time due to insufficient supply of fuel. Wake up from the slumber and listen to your body. The one that accompanies us throughout.

"Feed it right! Feed it on time!"
