ACADEMIC YEAR 2025 - DECEMBER

Principal's Message

December at Delhi Private School, Ras Al Khaimah, unfolded with warmth, celebration, and purposeful learning — a perfect conclusion to a remarkable year of growth and togetherness. This month brought our school community closer, enriched our learners with joyful experiences, and strengthened our collective spirit as we prepare to welcome a new year filled with promise. The month began with our vibrant KG Sports Day, where our youngest learners displayed confidence, coordination, and enthusiasm. Their energy was a reminder that joyful participation forms the foundation of lifelong learning. KinderTalk 2.0 further showcased the expressive abilities of our KG students, as they communicated with clarity, creativity, and growing confidence. December's festive cheer blossomed through our Winter Gala Class Parties, where students celebrated friendship, gratitude, and the magic of the season. The school spirit soared during Falcon Friday, instilling pride, unity, and a shared sense of belonging among our students. Sportsmanship took centre stage once again as parents and staff came together for a lively Cricket Match, strengthening bonds and highlighting the community spirit that makes DPS RAK truly special. Our commitment to professional excellence continued with a successful Walk-In Interview day, signalling our school's growth and our determination to bring in highly qualified, passionate educators for the coming academic year. Staff well-being remained a priority through our joyful Winter Gala Celebration and an enriching First Aid Training session, ensuring our team remains nurtured, supported, and prepared. As we wrap up December, we carry forward a heart full of gratitude and a spirit strengthened by shared achievements. With the New Year approaching, we look toward 2026 with optimism, energy, and renewed determination — ready to embrace new opportunities, create new milestones, and continue shaping confident, compassionate, and future-ready learners. May the coming year bring light, hope, and success to every member of our DPS RAK family. Happy New Year to All!

Warm regards,
Deepa Vinod
Principal Delhi Private School, Ras Al Khaimah

Headmistress's Message

Dear Students,

As we approach the winter break, I would like to take a moment to reflect on the journey we have shared this year. Each one of you has grown in your own unique way, academically, socially, and personally. Your hard work, resilience, and enthusiasm have brought pride to our school. I would like to leave you with a few thoughts to carry into the new year.

Life teaches us that every season has a purpose. Just as winter brings stillness, it also prepares nature for new beginnings. Use this break as a time to pause, recharge, and reflect. Celebrate your achievements, learn from your challenges, and remind yourself that growth often happens quietly. As you enter 2026, carry with you the belief that with discipline, kindness, and perseverance, you can turn every aspiration into a reality.

To all our students, I encourage you to return after the winter break with renewed enthusiasm, fresh goals, and a determined spirit.

Special wishes for my Class X students.

This time is especially significant for you. Believe in your abilities, use each moment wisely and meaningfully, and return fully prepared and confident. I know you are capable of giving your very best in the Board Examinations.

The year 2026 awaits you with new hopes and endless possibilities. Step into it with courage and confidence.

Wishing you a joyful, safe, and refreshing winter holiday.

Warm regards,
Dr. Bini Das

Message from Secondary Head

Dear Students,

As we come to the close of another enriching year, we take pride in reflecting on the journey we have shared together. The year has been filled with meaningful learning experiences, engaging classroom activities, stimulating competitions, cultural celebrations, sports events, leadership opportunities, and creative pursuits. Each activity and competition has helped you discover your strengths, build confidence, and grow beyond academics.

Your achievements remind us that hard work, dedication, and determination are the true foundations of success. Every effort you made—whether in studies, co-curricular activities, teamwork, or self-improvement—has contributed to shaping you into stronger, more capable individuals.

Learning is a continuous process, and growth happens step by step. We encourage you to reflect on your experiences, learn from challenges, and strive to become better with each passing day. Set higher goals, believe in your abilities, and remain committed to excellence in all that you do.

As we step into the coming year, we expect you to carry forward not only knowledge and skills but also values. Let respect, love, care, and compassion guide your actions. Treat everyone with kindness, empathy, and understanding, and remember that true success lies in becoming a good human being before anything else.

We wish you a year ahead filled with enthusiasm, curiosity, confidence, and success. May you continue to learn, grow, and shine—both in school and beyond.

Best wishes for a purposeful and fulfilling year ahead.

Shijitha Trivedi
Secondary Phase Head
Delhi Private School, RAK

**"Great things are not done by impulse,
but by a series of small things brought
together." – Vincent Van Gogh**

This year has been a remarkable journey, full of learning, challenges, and achievements that each of you can be proud of. Together, we explored new ideas, tackled difficult concepts, participated in fun activities, and supported one another in every step of our growth. Every question you asked, every effort you put into your work, and every moment you helped a friend added to the progress you made. Consistency and hard work have been at the heart of all your successes. The dedication you have shown—whether in class discussions, assignments, projects, or simply trying your best each day—has built the foundation for not just knowledge, but for resilience, confidence, and self-belief.

Cristiano Ronaldo, Serena Williams, and Lionel Messi didn't reach the top overnight. Day after day, they trained harder, pushed their limits, and never gave up—turning setbacks into growth. Their journeys show that talent alone isn't enough; consistent effort, discipline, and perseverance make dreams a reality. As this year comes to an end take a moment to reflect on all that you have learned and the progress you have made. Cherish your achievements, learn from your experiences, and carry forward this spirit of curiosity, perseverance, and kindness into the next chapter. Your journey is only beginning, and the possibilities ahead are endless.

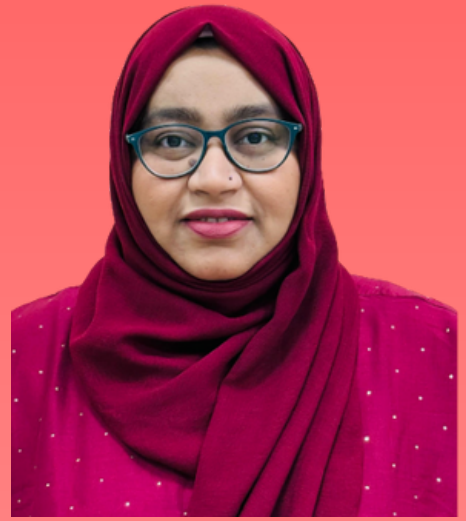

Regards,

Renu Venugopal

Primary head

Message from KG Head

As we enter the winter break, I extend warm wishes to our students, parents, and staff for a restful and joyful holiday. May this time offer renewal, reflection, and meaningful moments with family. While our learners enjoy their well-deserved break, I encourage them to keep their curiosity alive through reading, exploring, and small acts of learning.

We look forward to welcoming everyone back in January 2026, refreshed and ready for a new year filled with purpose, positivity, and progress. "Each season carries a lesson, each moment holds a spark; With hope to light our journey, we step forward from the dark. New days invite new dreams, new paths await our stride— Together we greet the future, with courage at our side."

**Warm regards,
Farheen
KG Head**

A Season to Refresh, Recharge, and Rejoice!

Dear Students,

As winter arrives, may its cool breeze help you relax, refresh, and recharge. Enjoy the beautiful season, feel the freshness around you, and spend joyful moments with your friends and family. Make time for outdoor games, explore new activities, and create wonderful memories.

During the break, keep a balance have fun, stay active, and complete all your tasks on time. We look forward to welcoming you back to school with renewed energy, bright smiles, and a positive attitude. Let's enter the new calendar year with new goals, fresh ideas, and a strong commitment to learning and growing together.

Enjoy your winter vacation and come back ready for an exciting new beginning!

Kindergarten Sports Day

Our little stars had an exciting day filled with races, games, and nonstop fun! Their enthusiasm and energy lit up the entire field. Each child proudly showcased their skills and celebrated their achievements with shining medals.

Falcon Friday

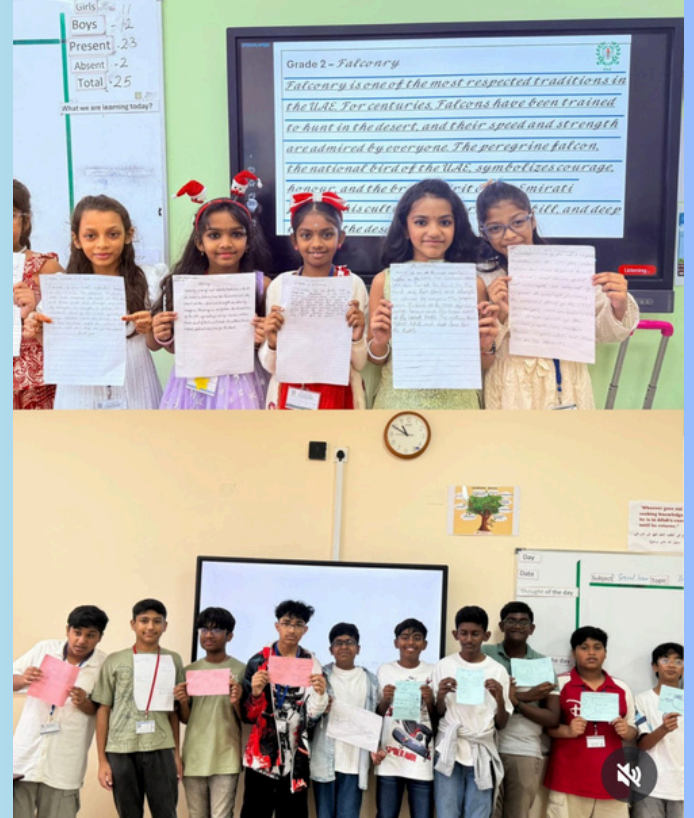

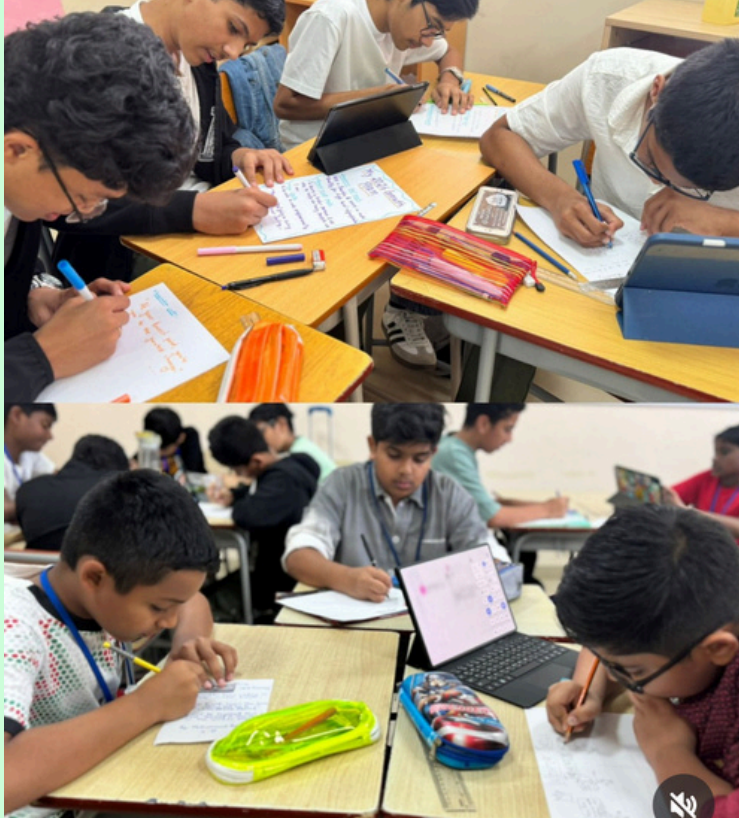

Students celebrated a creative and culturally rich Falcon Friday filled with hands-on learning and artistic expression. Our younger learners explored UAE traditions through tree-themed henna art, pottery designing, and Sadu weaving patterns—beautifully showcasing their skill, imagination, and cultural appreciation.

For Grades 6-11, the day extended into meaningful, inquiry-based activities connected to the UAE's growth and governance. Students examined the UAE Traffic Policy and its impact, created Cause-Effect Timelines of major national developments, analysed policy impact case studies, and participated in a mini debate to share diverse perspectives.

A wonderful Friday of learning through art, analysis, and collaboration!

Handwriting Competition & Reflective Activities

Our students from Grades 1-5 participated in the Primary Handwriting Competition 2025 with great enthusiasm. They showcased beautiful penmanship, neat presentation, and mindful writing—truly turning handwriting into an art form.

Students from Grades 6-11 also engaged in meaningful reflective activities such as My Growth Plan, My Winter Skill Journey, and The Mind Map of 'New Me'. These sessions encouraged them to set goals, track their progress, and envision the skills they aspire to develop.

Congratulations to all our students for celebrating expression, creativity, and personal growth!

Winter Gala

Our Winter Gala 2025, children enjoyed a wonderful class party filled with laughter, music, games, and shared treats. Dressed in the festive colours of red, white, and green, our students celebrated the season with friendship, fun, and festive cheer. It was a memorable day of bonding, sharing, and creating joyful moments together!

The Nayi Chetna 4.0 Campaign

The Nayi Chetna 4.0 Campaign successfully reinforced our school's commitment to creating a truly inclusive educational ecosystem. Our core message throughout the month was simple: Potential knows no gender.

In DPS, we believe in Equality in Action. We are committed to fostering an environment where every student has the same opportunity to achieve excellence, regardless of gender. No differences.

Parent-Staff T10 Cricket Championship

Delhi Private School RAK strengthens its sports culture through strong collaboration with our parent community.

The first T10 Cricket Championship between Parents and Staff brought great energy and healthy competition, with the Parents Team securing the win.

At DPS RAK, we actively promote sports as a way to build stronger school-parent bonding while encouraging health, fitness, and overall well-being for our entire community.

Chess Competition

Promoting strategic thinking and friendly rivalry, the tournament saw enthusiastic participation from teachers and administrative staff alike. The competition provided a wonderful opportunity for staff members to challenge their minds, practice focus, and enjoy some competitive downtime together.

After several closely fought rounds, we congratulate our winner, Mr. Praveen Lawrence, for their impressive strategic play and ultimate victory!

Friends of Cancer Patients (FOCP) Visit

Our students visited Friends of Cancer Patients (FOCP), Sharjah, and contributed our charity amount to the organisation. The visit encouraged compassion, sensitivity, and social responsibility among students. DPS RAK continues to engage learners in meaningful community outreach experiences that inspire humanity and service.

Student's Achievements

We proudly celebrate the achievements of our multit talented star, Rebecca Jose Kavungal, who secured top honours in various categories and was crowned Kalathilakam (Best Performer) for her exceptional talent.

Poem Recitation (English) – 1st Place

Story Writing (English) – 1st Place

Bharatanatyam – 2nd Place

Elocution (English) – 2nd Place

Essay Writing (English) – 2nd Place

Rebecca stands as an inspiring example of excellence, hard work, and creative brilliance.

Congratulations to our Kalathilakam!

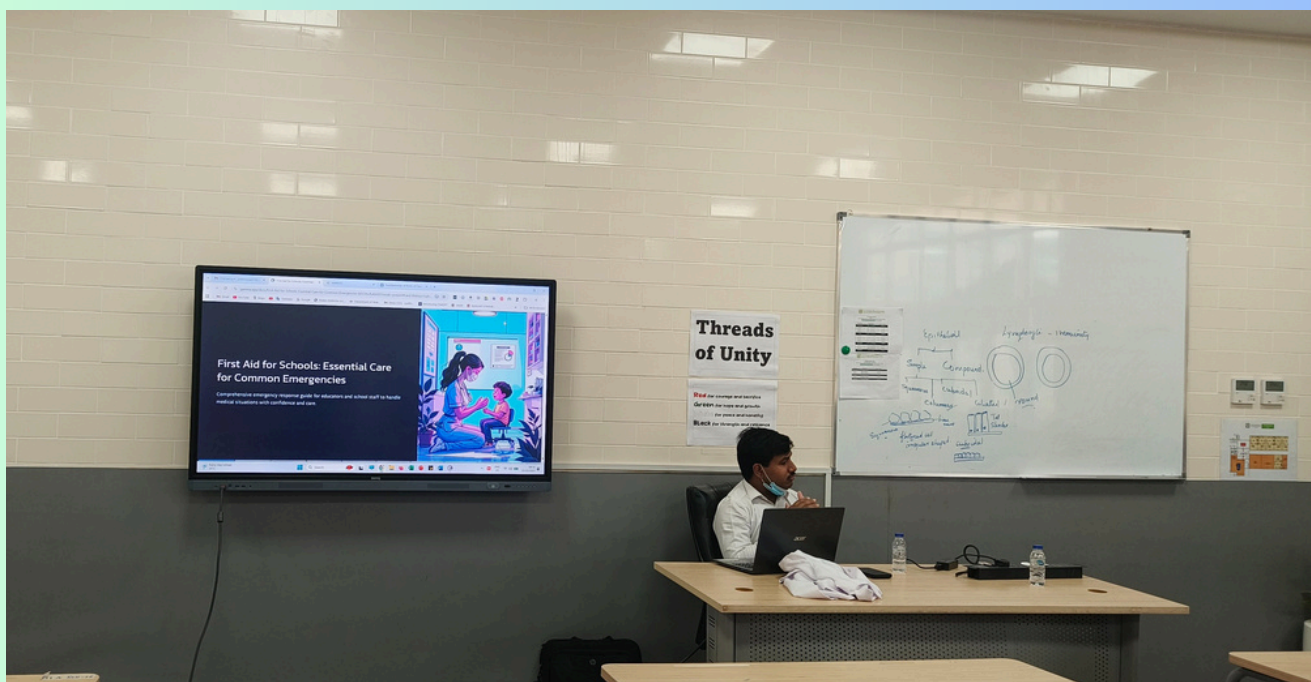

Badminton Champion

Proud Moment for DPS RAK! Mariya Safdari of Grade 10 secured 1st position in the Under-17 Girls Singles at the DOBSA – Dubai Open for Badminton Academies Championship, supported by Dubai Sports Council. She displayed incredible resilience and determination to win the finals and claim the title. Congratulations, Mariya! Your dedication and spirit make us proud!

Safety First: Basic First Aid Training for Teachers

To equip our staff with the knowledge and confidence to handle minor emergencies, we recently conducted a crucial Basic First Aid Training Session for all teaching staff. The session was expertly led by our experienced School Doctor, Dr. Joel Thomas, general practitioner, school doctor, and covered essential first aid techniques,

Christmas Celebration at DPS RAK

Our dedicated teaching and administrative staff gathered to celebrate the festive season with a heartwarming Christmas lunch and fellowship.

It was a wonderful break that truly embraced the joy of sharing. Teachers brought delicious food items—from festive treats to savory dishes—creating a diverse and delightful spread that was shared amongst all.

This gathering was a perfect opportunity to step away from our busy schedules, share laughter, and strengthen the bonds of our school family. Thank you to everyone for contributing to such a memorable and joyous celebration!

The celebration was followed by our Monthly Well-being Activity, featuring engaging and fun games! These interactive activities provided a perfect opportunity for the team to step away from busy schedules, unwind, laugh together, and strengthen the bonds of our school family.

It was a memorable day of nourishment, fun, and collective cheer, reflecting our commitment to a positive and supportive staff environment!

The third edition of the parent pulse encompasses exciting highlights from recent events

STRIKES AND SMILES!

The friendly throwball match between parents and teachers demonstrated incredible sportsmanship. We look forward to the next challenges. Till then let's keep that wonderful team spirit alive!!!

RAKDOK PARENT COUNCIL MEETING

Our parent council had the honour to attend a meeting organized by Ras Al Khaimah educational department. The event fostered a strong collaboration to strengthen the educational initiatives of the school community.

A single toothbrush can hold over 10 million bacteria. Which is why you must replace it every 3 months.

Dr. Reshma

Chia Seeds are Nutritionally Powerful – But Know When Not to Eat Them.
 X When you are not drinking enough water
 X When you have stomach issues
 Skip chia during episodes of constipation, acidity, or bloating, as its high fiber content may worsen these conditions.

Dt. Sushma Gadam

Carpooling with friends or family conserves energy and reduces harmful emissions.

Mercury in cosmetics: Unveiling the unseen facts

Hey beauty enthusiasts, we all love to look gorgeous right?!! But do you know that there are hidden ingredients in our favourite skin whitening and lightening creams. They could pose great threat to the environment and also to humans. Yep, it's all about "Mercury". Mercury is a heavy metal of immense environmental concern owing to its toxicity, long range transport and ability to bioaccumulate in the ecosystems. It is often released into the environment through a wide range of human activities and of course, the usage of cosmetics is one among them. If we use cosmetics containing mercury, it will eventually contaminate the environment through various pathways like waste disposal and remobilization. So, to keep our environment and ourselves safe from the harmful effects of mercury, when you purchase cosmetics next time, check the composition; if the label contains any of these following words: "mercurous chloride", "calomel", "mercuric", or "mercury" please make sure that you don't go for it. Act smart and be a solution to the pollution.

Dr. Navya Cherian

January

Jan 5 - REOPENING DAY Learning to Learn (preliminary rounds for Spell Bee)
