ACADEMIC YEAR 2025 - NOVEMBER

# Principal's Message

November at Delhi Private School, Ras Al Khaimah, was an inspiring journey of national pride, vibrant learning, and wholehearted participation. Each experience reflected our school's unwavering commitment to quality, consistency, and holistic development – where academics, values, and well-being come together seamlessly.

We began the month with the uplifting UAE Flag Day Celebration, where students expressed gratitude and honour for the nation's unity and heritage. This patriotic spirit blossomed during our grand UAE National Day festivities, enriched with cultural performances and dynamic entrepreneurial stalls designed by our students. Their creativity and confidence added a powerful real-world learning dimension to this special day.

November also marked our impactful Anti-Bullying Week, where students engaged in activities that highlighted empathy, kindness, and standing up responsibly for themselves and others. These sessions strengthened our culture of safety, respect, and emotional well-being.

Experiential learning continued with the RAK Ceramics Factory Visit, Al Hamra Heritage Village Visit, and the Sharjah Book Fair, allowing students to explore innovation, craftsmanship, heritage, and literature firsthand – deepening curiosity and broadening perspectives.

Our campus was alive with athletic energy throughout the month. The Interhouse Throwball Competition and the enthusiastic Parents vs. Staff Throwball Match brought out teamwork, camaraderie, and sporting spirit. A special highlight was our spectacular Annual Sports Day – VIGORIA 2.0, a celebration of discipline, fitness, and resilience. Students demonstrated remarkable agility, strength, and determination across a wide range of events, showcasing their sporting talents with pride. The electrifying drills, relays, and coordinated house marches created an atmosphere of unity and excellence, making Vigoria 2.0 a memorable milestone for our school community.

Our KG students added an adorable spark to the month with Mini Tycoon – Souq Al-Atfal, where young learners and parents teamed up to explore entrepreneurship through creativity, numeracy, and collaboration.

Character-building celebrations strengthened the values we cherish. World Kindness Day, Children's Day, and International Tolerance Day encouraged students to reflect on compassion, unity, and respect – shaping responsible, empathetic global citizens.

As November draws to a close, the cool winter breeze brings warmth to our hearts and excitement for the festive month ahead. December promises joyful celebrations, community bonding, and cherished memories. With winter's charm settling in, we eagerly look forward to embracing the season of togetherness, reflection, and festive delight with our students and families.

Wishing our community a wonderful December filled with learning, warmth, and winter magic.

Warm regards,

Deepa Vinod

# DECEMBER'S CHRISTMAS LIGHT

DECEMBER DRAPES THE WORLD IN WHITE,  
SOFT WHISPERS FLOAT IN FROSTY NIGHT.  
STARS LEAN LOW WITH SILVER GLEAM,  
AS HEARTS AWAKE FROM WINTER'S DREAM.

LANTERNS GLOW IN EVERY STREET,  
CAROLS RISE WHERE NEIGHBOURS MEET.  
CHILDREN'S LAUGHTER FILLS THE AIR,  
HOPE AND MAGIC EVERYWHERE.

THE PINE TREES WEAR THEIR CRYSTAL CROWNS,  
JOY TWIRLS GENTLY THROUGH THE TOWNS.  
BELLS RING OUT IN CHIMING CHEER  
CHRISTMAS TIME IS FINALLY HERE.

FAMILIES GATHER, WARM AND NEAR,  
SHARING LOVE THAT LASTS ALL YEAR.  
IN EVERY GIFT, IN EVERY SMILE,  
LIVES THE SPIRIT SO GENTLE, SO MILD.

OH CHRISTMAS DEAR, IN DECEMBER'S EMBRACE,  
YOU PAINT THE WORLD WITH LOVE AND GRACE.  
A SEASON'S BLESSING SOFT AND TRUE  
MAY PEACE AND WONDER SHINE IN YOU.

# COUNSELLOR'S CORNER

This month, our focus is on positive thinking and kindness. Here are two small challenges students can try:

## ✓ Kindness Task

Do one small act of kindness every day—help a friend, share your things, or simply say something nice.

## ✓ Self-Reflection Task

Before sleeping, ask yourself:

What made me happy today?

What is one thing I can do better tomorrow?

These simple habits help students build confidence and emotional awareness.

If you ever need to talk, we're here to listen:
