DELHI PRIVATE SCHOOL L.L.C

DPS DISPATCH

ACADEMIC YEAR 2026 - 27 MAY

Principal's Message

The month of May at Delhi Private School, Ras Al Khaimah, was a vibrant reflection of learning, leadership, innovation, and community spirit. Every experience throughout the month reinforced our belief that true education extends beyond academics, nurturing confident individuals who are compassionate, curious, resilient, and future-ready.

We began the month by celebrating values that enrich human connection and emotional well-being. Labour Day, Laughter Day, Mother's Day, and International Family Day reminded our students of the dignity of work, the healing power of joy, the unconditional love of mothers, and the importance of strong family bonds. These meaningful observances created moments of gratitude, empathy, and reflection across our campus.

Innovation and experiential learning remained central to our journey. World Technology Day and the Introduction to AI Sessions for Grades 4 and 5 opened exciting pathways into the future, encouraging students to think critically, creatively, and responsibly in a rapidly evolving digital world. The enthusiasm continued through engaging Club Activities, hands-on Jam Activities, and the immersive Experimentarium sessions for Grades 1 and 2, where young minds explored, questioned, and discovered with wonder and excitement.

Our commitment to leadership and excellence was beautifully reflected at the Investiture Ceremony, where our newly elected student leaders took their oath with pride and a sense of responsibility. The Scholar Badge Ceremony further celebrated dedication, perseverance, and academic achievement, inspiring all learners to strive for excellence with integrity and purpose.

Learning beyond the classroom remained a hallmark of the month. Educational visits to the Aquarium for KG students and the Museum for Grades 3 to 5 transformed curiosity into real-world understanding, making learning both joyful and memorable.

Sportsmanship and teamwork flourished through Inter-house Badminton, where students demonstrated resilience, discipline, and a healthy competitive spirit. Equally enriching was the Parent Council Meeting, which strengthened the partnership between school and home, a collaboration that remains essential in every child's educational journey.

We are delighted to share another significant achievement for our institution. Delhi Private School, Ras Al Khaimah, has been invited by the Central Board of Secondary Education to collaborate as part of the advisory outreach for CBSE Global, an internationally aligned educational initiative aimed at shaping future-ready learners through globally relevant and culturally rooted education. This recognition reflects the trust placed in our institution's educational leadership and our continued commitment to excellence and innovation.

As we move forward, we remain inspired by the passion, talent, and collective spirit of our school community. With the joyous occasion of Eid approaching, I extend heartfelt wishes of Eid Mubarak to all our students, parents, staff, and well-wishers. May this blessed occasion bring peace, happiness, togetherness, and abundant blessings to every home.

Warm regards,

Deepa Vinod

Principal

Delhi Private School, Ras Al Khaimah

Investiture Ceremony

The Investiture Ceremony is a prestigious occasion that marks the formal appointment of the newly elected student leaders. It symbolizes leadership, responsibility, discipline, and teamwork. During the ceremony, the student council members receive their badges and take an oath to carry out their duties with honesty, dedication, and commitment. The event inspires students to become confident and responsible individuals while encouraging them to uphold the values and vision of the school. It is a proud moment for the entire school community as young leaders step forward to serve as role models for their peers.

Scholar Badge Ceremony 2025–26

The Scholar Badge Ceremony 2025–26 is a special occasion organised to recognise and appreciate the outstanding academic achievements, discipline, dedication, and sincere efforts of our students. The ceremony celebrates the hard work and perseverance of young achievers who have set an example of excellence through their commitment and determination. We are honoured to welcome our distinguished guests whose presence adds grace and inspiration to this memorable occasion. Their valuable words and encouragement motivate our students to continue pursuing excellence and success.

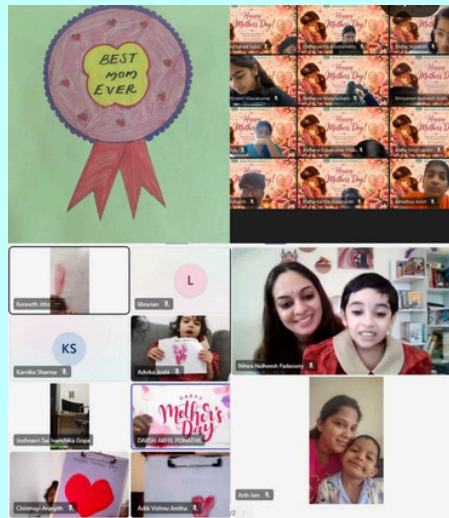

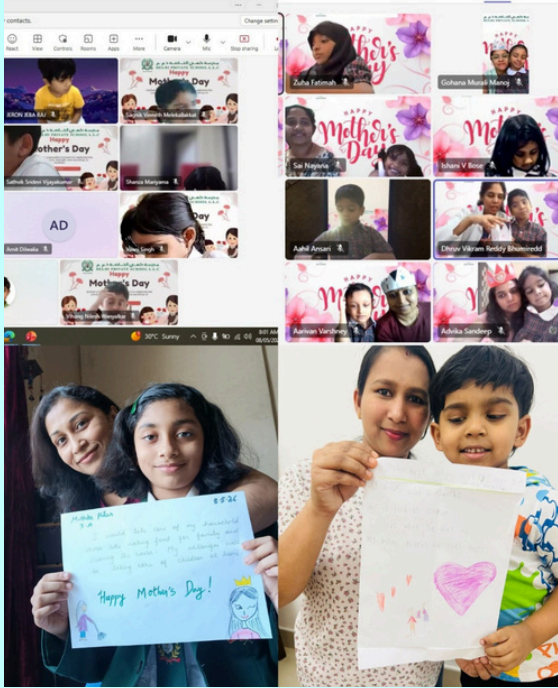

Scholar Badge Ceremony 2025-26

This proud moment inspires all students to continue striving for success and motivates them to achieve greater heights in the future. We congratulate all the scholars and wish them continued success in their academic journey.

Mother's Day Celebration

HAPPY
Mother's
Day

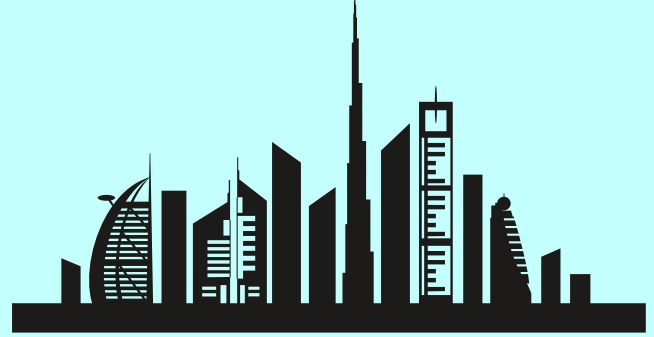

Mother's Day was celebrated with love, gratitude, and heartfelt emotions as our students took part in meaningful activities to honour their mothers. From creating beautiful thank-you cards and drawing lovely portraits Lands of their moms to participating in the special "Walking in My Mother's Shoes" activity, children experienced and appreciated the daily routine and responsibilities carried by their mothers with endless care and dedication.

Through these thoughtful activities, our young learners expressed their love, respect, and admiration for the superheroes in their lives. The celebration beautifully reflected the bond between mothers and children while teaching students the values of empathy, gratitude, and appreciation.

Happy Mother's Day to all the wonderful mothers who inspire us every day with their unconditional love and strength.

Little Kaaba Walk

Our students embarked on a beautiful spiritual journey through the “Little Kaaba Walk” activity.

From entering “Saudi Arabia” with their passports to performing Tawaf around the mini Kaaba, the children explored important stages of Hajj, including Muzdalifah and Jamraat, through hands-on learning and role play. It was a wonderful experience filled with excitement, learning, and Islamic values for our little pilgrims.

International Day of Families

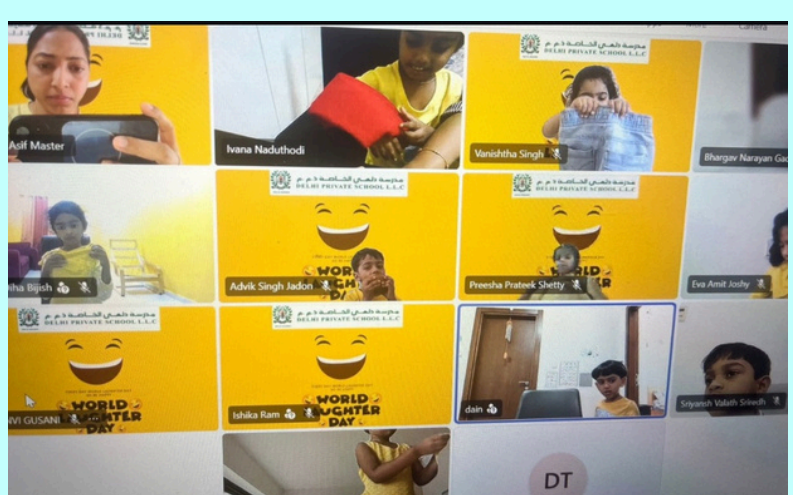

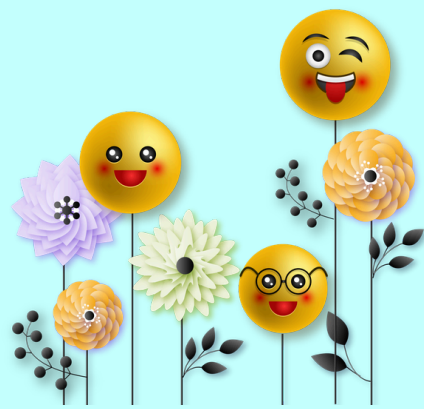

OUR
Family

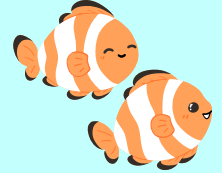

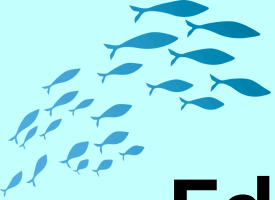

At Delhi Private School Ras Al Khaimah, our Primary students celebrated this special day with joy, togetherness, and love as a proud Team of the Year – UAE Family.

Parents joined in engaging salad-making activities with vibrant colours, making the celebration lively and meaningful. Students also showcased simple and creative projects, confidently sharing their ideas, while our youngest learners expressed family values through beautiful handprint activities.

World Laughter Day and Yellow Day!

Spreading smiles and sunshine on World Laughter Day and Yellow Day! Our little learners joined the celebration online and expressed their emotions by drawing cheerful smiley faces, filling the session with happiness and positivity. The activity helped children understand and share their feelings in a fun way. It was a joyful virtual experience full of laughter, learning, and bright yellow vibes!

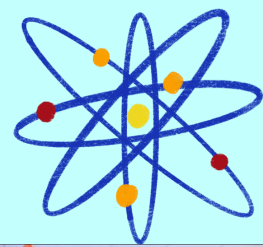

Edu Trip to Sharjah Aquarium!

Our Kindergarten students had an exciting Edu Trip to Sharjah Aquarium! As part of our learning about the animal kingdom, the visit gave students a wonderful opportunity to step out of the classroom and explore marine life in the real world.

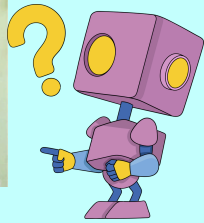

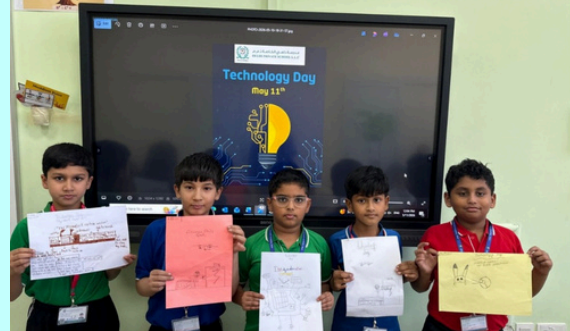

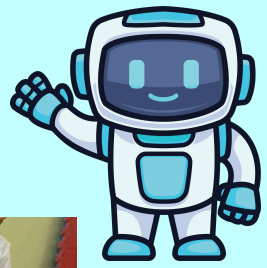

The students were thrilled to observe different sea animals up close and enjoyed a fun-filled day of learning and discovery.

Experimentarium

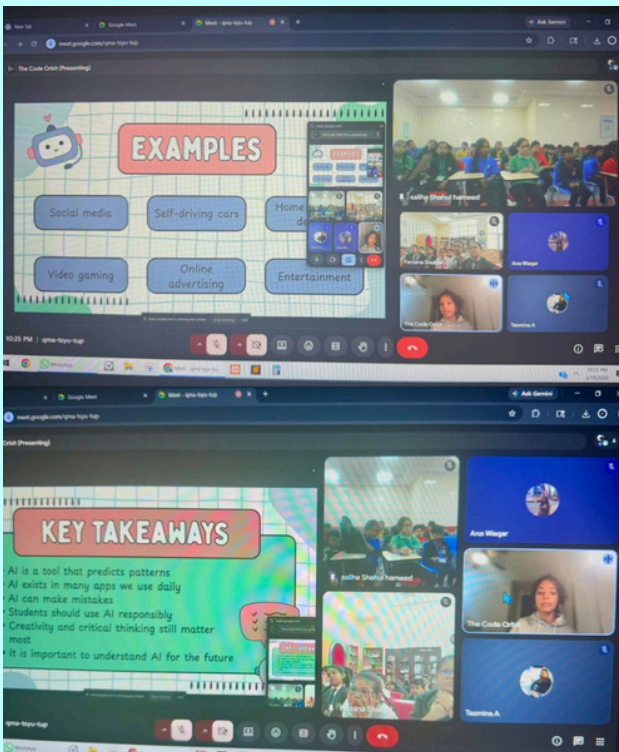

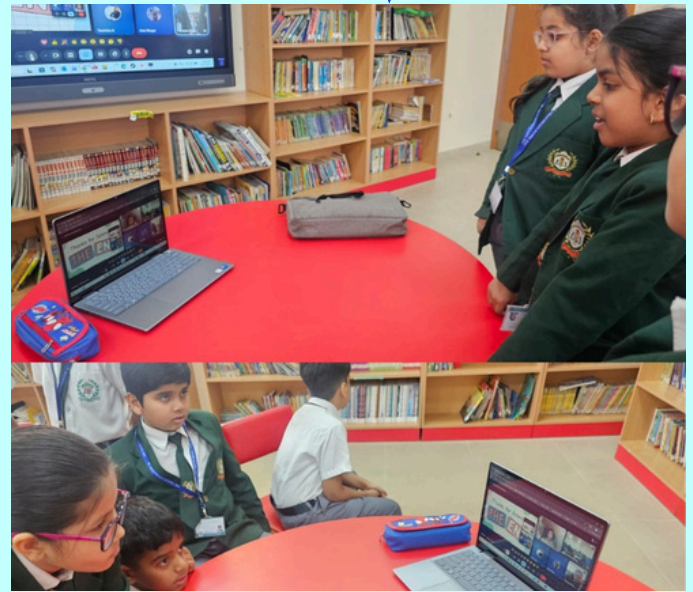

Our littlest scientists stole the show at this year's Experimentarium, turning big ideas into pint-sized discoveries! Grade 1 and 2 students wowed the crowds with jaw-dropping, hands-on demonstrations that brought textbook lessons to life.

Celebrating Technology Day!

Technology inspires creativity, innovation, and learning, helping students explore a smarter and more connected world. Our young learners enthusiastically participated in exciting activities and showcased their tech-inspired ideas!

AI awareness session

Our Grade 4 and 5 students participated in an engaging AI awareness session conducted in collaboration with Ms Afina Khanam, Founder of Code Orbit, USA on 20.05.2026

The session introduced students to the world of Artificial Intelligence through interactive discussions, real-life examples, and activities that encouraged responsible use of AI, creativity, and critical thinking. A meaningful step towards preparing our learners for the future through global collaboration and innovative learning experiences!

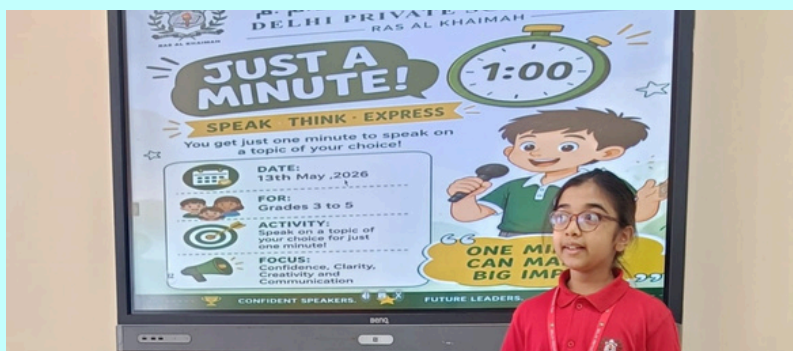

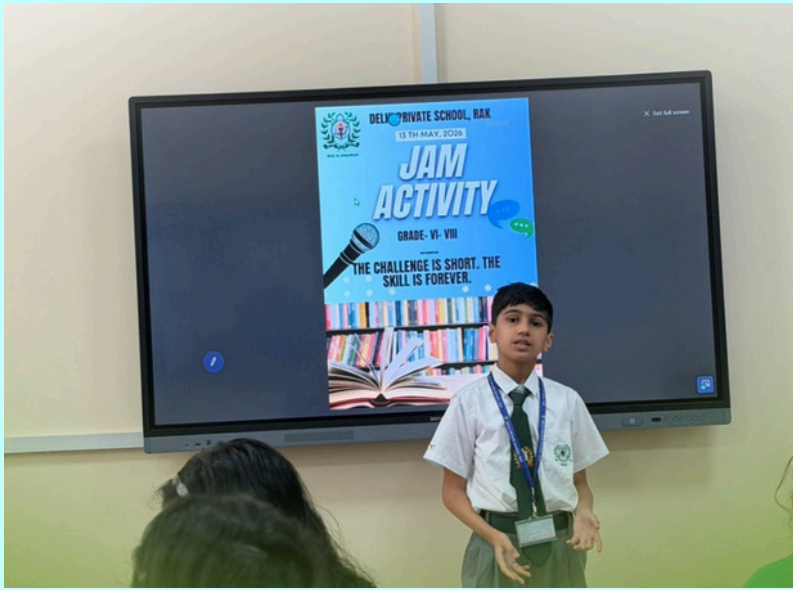

National Museum Day

In observance of National Museum Day, the students of DPS RAK visited the RAK Museum to explore and learn more about the rich history and heritage of the UAE. It was a wonderful and memorable educational trip for the children.

The students thoroughly enjoyed the visit and were excited to discover fascinating facts about the past of the UAE. The museum guides and staff warmly welcomed the students and explained the history of the RAK Museum in a very engaging and informative manner. They beautifully briefed the children about the cultural heritage, traditional lifestyle, and historical significance of the exhibits displayed in the museum.

JAM Activity

Students expressed themselves with confidence and creativity during our JAM (Just A Minute) Activity! Our learners showcased their speaking skills, presence of mind, and fearless expression through engaging one-minute talks.

It was an exciting day filled with ideas, laughter, and learning beyond the classroom!

Falcon Friday

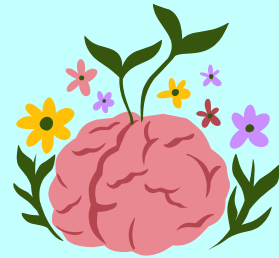

Students actively engaged in exciting UAE-themed learning experiences filled with creativity and discovery. Students strengthened their critical thinking and inquiry skills while learning about the RAK museum timeline, Etihad Rail, and Al Maktoum International Airport. Also, students proudly honored the UAE Armed Forces through heartfelt appreciation messages and creative artistic expressions.

THRIVE Thursday

Our students took their learning beyond the classroom today to explore mindfulness, emotional wellbeing, and positive thinking! Engaging in everything from eco-awareness reflections to active resilience relays and stress-reset activities, they practiced healthy ways to handle pressure and support one another. Whether connecting with nature or collaborating with peers, today proved that caring for ourselves and each other is how we truly thrive

AL SOUT: The Student Well-being Project 2026

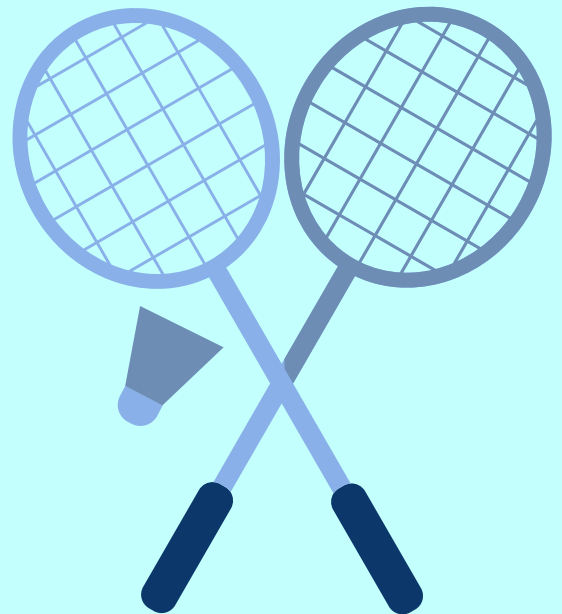

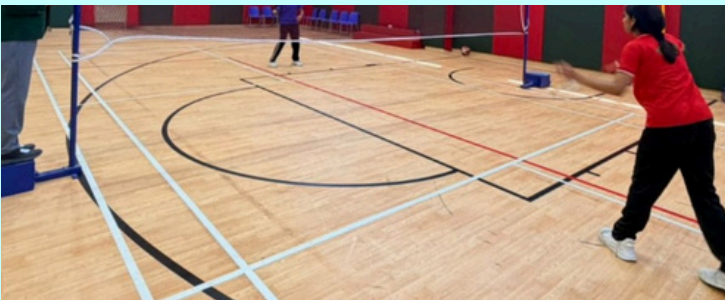

Our school is proud to introduce AL SOUT, a student wellbeing initiative focused on nurturing the mental, emotional, and physical wellbeing of our students. Through meaningful discussions, reflective activities, and collaborative learning experiences, students are encouraged to build healthy habits and develop a positive mindset for a brighter future.

This initiative highlights the importance of balance, resilience, and emotional strength alongside academic growth. AL SOUT aims to create a supportive environment where every student feels valued, heard, and empowered.

This is just the beginning of an inspiring journey towards healthier and happier school communities, with many more engaging activities planned in the coming months.

Inter-House Girls Badminton

The Inter-House Girls Badminton matches were played with great enthusiasm and sportsmanship. In the doubles match, Danube secured a victory against Indus with 2 points. In the singles match, Nile showcased an excellent performance and defeated Danube with 3 points. The matches reflected teamwork, dedication, and competitive spirit among the participants.

Labour Day Celebration

Labour Day was celebrated in our school with gratitude and respect for all our hardworking support staff. Students expressed their appreciation through speeches, messages, and small gestures of thanks, recognizing the valuable contributions of every worker. The day reminded us that every role matters and deserves dignity and respect.
